

7-11

# BEGINNERS TO BAND MEMBERS

## OVERVIEW

Beginners To Band Members is designed for complete beginners as well as students who would like to build their confidence by playing with other musicians.

Students will spend one week learning in their instrument group and the following week playing in a band with other students from the workshop. All exercises are designed to work with the other instruments, so even total beginners will begin playing with other musicians as early as week 2!

The first few weeks cover basic skills and techniques and then students move on to learning songs, still working on a two week schedule to allow them time to practise at home before playing in a group. They will learn two songs over the course of the term, which includes a number of recap and trouble shooting sessions.

## SHOWCASE

At the end of the 10 weeks, students will be invited to play at the end of term showcase at Epsom Playhouse and show off their new skills to friends and family.

The showcase features performances from all Realistic Rock workshops from beginner to advanced level, with over 100 performers playing to an audience of up to 400 people, making it the perfect finale to Beginners To Band Members.
