

7-11

ROCK STARS

OVERVIEW

Moving on from playing famous songs, this workshop is an introduction to songwriting for all wanna be Rock Stars!

Before beginning the songwriting process, students will learn a famous song to see how the professionals do it and for a bit of inspiration before forming their own bands.

Students will learn about hooks and riffs, drum parts, melody and lyrics and all the building blocks needed to write a hit, before penning their own rock classic!

The workshop includes songwriting modules for all instruments, live performance sessions in front of the class, songwriting tips and tricks, trouble shooting sessions and plenty of rehearsal time to get the song into shape for the showcase.

SHOWCASE

At the end of the 10 weeks, students will be invited to play at the end of term showcase at Epsom Playhouse.

The showcase features performances from all Realistic Rock workshops from beginner to advanced level, with over 100 performers playing to an audience of up to 400 people so Rock Stars students will get to perform their own song in front of a friendly and supportive home crowd.
